Dear Captain LeBlanc,

This is in reference to your Freedom of Information Act (FOIA) request dated August 1, 2014. Your request was received in our office on the August 8, 2014, and was assigned case number **DON-NAVY-2014-008603**.

We previously contacted you regarding this request on March 30, 2015, denying your request for a fee waiver, advising with regard to the anticipated scope of records, and informing you of your ability to reduce the scope of the request, arrange for an alternative time frame for processing the request, and/or provide payment/a written commitment to pay anticipated fees. We requested you respond by April 27, 2015.

As we have not received any correspondence from you following this letter, we determined that you intended for us to continue as advised in the letter, concluding our search for responsive records and providing what would be available to an "other" requester, free of charge. Therefore, the enclosed seven documents (107 pages) are released to you in their entirety.

Questions regarding the action this office has taken during the initial processing of your request may be directed to our FOIA service center at (202) 685-0412.

Sincerely,

A handwritten signature in black ink, appearing to be "R. Patterson", is written over a horizontal line.
